RETURNING TO THE VIC: OBSERVE 4 MAIN PRECAUTIONS

1 Practice physical distancing.

2 Wash your hands frequently.

3 Wear your face mask when required.

4 Do not come to the office if you have flu-like symptoms.

*Information provided by manufacturer.
MAINTAIN PHYSICAL DISTANCING AND WEAR YOUR FACE MASK WHEN NEEDED/REQUIRED

Maintain a distance of at least 1 metre from your colleagues and avoid shaking hands.

Pay attention to floor markings. Limits may be placed on the number of people able to queue in certain areas.

Elevators may be limited to a maximum number of passengers and masks may be required.

HOW TO GET YOUR FACE MASK

You must have your own mask to gain entry to the VIC. Washable masks are also provided upon your return to the VIC. Your Point of Contact will arrange the distribution of masks.

WHEN TO WEAR YOUR FACE MASK

Where one-metre physical distancing cannot be maintained.

WASH YOUR FACE MASK AT HOME

Detailed instructions for washing your mask are available from your Point of Contact.

HOW TO PUT ON THE FACE MASK PROVIDED BY THE AGENCY

First, wash your hands with soap for at least 20 seconds. Alternatively, use hand sanitizer.

1. With the white side of the mask facing outside, tie the upper ties in a bow around the top of your head.
2. Tie the lower ties around the base of your neck.
3. Pinch the metal edge of the mask to adjust to your nose.
4. Make sure that your mask covers your nose, mouth, and cheeks.

Remember:

- Avoid touching your face while wearing your mask.
- After you remove your mask, wash your hands. Alternatively, use hand sanitizer.
